

PRIZE WINNERS

—OF THE—

Pin Problem Number Two

So many communications were received from contestants at the close of the last contest stating that they had solved the problem correctly and asking why they had not received a prize, that we have reproduced and print here-with one of the winning entries in the Pin Problem Number Two Contest. This will show the correct solution of the problem and also the basis upon which the prizes were awarded. Every prize-winning solution possessed the same high degree of originality. Names of the winners are printed below.
